Summer 2000

Check out all that there is to do this summer in Fountain Hills and around the valley! The Parks and Recreation Department will be offering a number of programs to keep us all busy. Whether it is trips to San Diego or excursions to the ballpark, we guarantee a great time! Look at this list to see for yourself!

Turnaround Trip – Take a ride to San Diego with us as we venture off to Sea World! We will return the same day as we leave, only hours later. Hours of fun in California – what could be better?!

Excursions – Throughout the summer Parks and Recreation will offer trips to Diamondbacks or Rattlers games, we'll be getting all wet at Big Surf and cooling off at the Phoenix Ice Den! Choose one or choose them all! We'll have a blast no matter what!

Adventure Series – For a little something on the wild side, check out the destinations we have chosen for you. Castles n' Coasters will warm us up, only to be out done by the trip to Slide Rock! If you are in to skating, get stoked for the ride of your life to the newest skate park around in Chandler. A week later we're off to Skateland to cool our heels!

Information Overload

The Town Website has all kinds of info that may be used as a helpful tool in finding facts that are of interest to you. Whether it is about the structure of the Town government and its staff, descriptions of the facilities available to all residents or program facts for the current season, our Website has what you need! The Town and its staff try to keep the information as up to date as possible. The Parks and Recreation Department especially wants to keep everything current so its customers can take full advantage of all of the programs that are offered. You can look us up today! Twilight Tuesdays

Are you a bowler? If not, do ya like music? You can get the best of both by attending the Twilight Tuesdays program at Fountain Bowl! Come hang out from 6:30 to 9:30 PM and listen to some tunes, bowl a game or two and wait for your lucky number to be called for one of the many prizes to be raffled off each night! Prizes are also given away for competitions and sometimes just at random! For more information, call Corey with Parks and Rec at 816-5170!
